## HEALTH CARE SERVICES FOR TOURISTS

## JESOLO LIDO ERACLEA MARE

YEAR 2009

\*\*\*\*\*

ASSL n. 10, the Local Health Authority, has arranged a network of health care services in cooperation with the tourist companies and the Town Councils concerned, in order to meet with your needs and to guarantee safer holidays to all the tourists.

Here will follow a description of the services which ASSL n. 10 provides you with all through the Summer. If you are facing non-urgent health problems, we suggest you to see the GPs for tourists or to the GPs who work within the Local Health Service.

In case of an emergency do not hesitate to call the number 118 or to go directly to the nearest First Aid Station.
